3x better

weed control with zero light transmission

2x higher

fruit quality and yield

4x more

water savings for eco-friendly farming

ABOUT

Premium Silver/Black Mulching Film — India's Best-Selling Agricultural Mulch

Agrifirst Ginegar Mulch is the flagship agricultural mulching film from Ginegar Israel — the world's most trusted mulch manufacturer. This silver/black dual-colored film reflects sunlight from the silver side to repel aphids and reduce heat, while the black underside provides complete weed suppression. Ideal for vegetables, fruits, and flower cultivation across all Indian states.

DESCRIPTION

Agrifirst Ginegar Mulch is India's most trusted agricultural mulching film, manufactured by Ginegar Plastic Products, Israel — the world leader in agricultural films. This versatile silver/black mulching film is the go-to choice for vegetable, fruit, and flower growers seeking weed-free, water-efficient crop production with premium produce quality.

Key Benefits

- **Silver Top Surface** — Reflects sunlight upward to repel aphids and whitefly, reduce soil heating, and provide additional light to lower canopy leaves
- **Black Bottom Surface** — Complete light block provides 95%+ weed suppression without herbicides
- **40% Water Savings** — Prevents surface evaporation, maintaining soil moisture with significantly less irrigation
- **Soil Temperature Regulation** — Silver reflection keeps soil cooler in summer; retains warmth in winter
- **Cleaner Fruits** — Prevents soil splash, reducing fruit contamination and post-harvest disease
- **25–35% Yield Increase** — Combined benefits of weed control, moisture retention, and temperature management boost yields significantly

Technical Specifications

Manufacturer	Ginegar Plastic Products, Israel
Material	LDPE / LLDPE blend — UV stabilized
Thickness	25 / 30 / 40 micron
Colors	Silver/Black (standard), Black/Black available
Width	0.6m, 0.9m, 1.0m, 1.2m, 1.5m
Length	400m / 500m rolls
