ABOUT

130 GSM Ultra-Heavy-Duty Ground Cover — Maximum Strength for Permanent Installations

Agrifirst 130 GSM Weed Mat is the heaviest-duty ground cover in our range, engineered for permanent installations where maximum strength, puncture resistance, and longevity are critical. This ultra-dense woven PP fabric withstands heavy vehicle traffic, sharp-edged gravel overlays, and the most demanding industrial agricultural environments while maintaining 99% weed suppression for 8–10 years.

DESCRIPTION

Agrifirst 130 GSM Weed Mat is our most heavy-duty woven ground cover — engineered for permanent installations in the most demanding environments. With 44% more material than our 90 GSM variant, this ultra-dense woven polypropylene fabric delivers unmatched tear resistance, puncture strength, and longevity — rated for 8–10 years of continuous outdoor use under Indian conditions.

Key Benefits

- **Maximum Strength** — Withstands heavy foot traffic, wheelbarrows, tractors, and sharp gravel/stone overlays
- **8–10 Year Service Life** — The longest-lasting weed mat in Agrifirst's range — true permanent installation
- **Industrial Grade** — Suited for commercial nurseries, large greenhouses, packhouse yards, and agricultural infrastructure
- **Weed-Free for a Decade** — One installation eliminates weeding labor for 8–10 years
- **Water Permeable** — Despite heavy weight, maintains excellent drainage

Technical Specifications

Material	Woven polypropylene (PP) — premium UV stabilized
Weight	130 GSM
Color	Black with green grid lines
Water Permeability	Yes
UV Life	8–10 years
Available Widths	1m, 1.5m, 2m, 3m, 4m, 5m
Available Lengths	50m, 100m rolls
Applications	Permanent greenhouse floors, nursery yards, packhouse areas, orchard rows, landscaping infrastructure
